### Inverloch Surf Life Saving Club

**Community Organisation**

The Inverloch Surf Life Saving Club has been serving the local community and visitors since 1956 making it one of the oldest surf life saving clubs in the region.

The main objective of the Inverloch Surf Life Saving Club is to provide a safe and enjoyable beach experience for all beachgoers by offering a range of lifesaving services, including patrolling the beach, conducting water safety training, and providing emergency rescue services.

The club is run entirely by volunteers who are dedicated to promoting beach safety, educating the community about ocean hazards, and fostering a culture of respect and care for the natural environment.
